Dear Chairman Pai,

I write to support the Comments of the Cable Act Preservation Alliance ("CAPA") and to disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05- 311.

Arlington Community Media Inc (ACMI) is an important resource in the functioning of Arlington Massachusetts as a quintessential part of American democracy.

At no charge, it provides:

- Access to the proceedings of town governance;
- Coverage of events and issues of local importance;
- Educational resources to all ages and levels of students & faculty;
- Production facilities for media related projects;
- Public presentations and festivals of local productions.

And I have personally enjoyed the use of professional level equipment and sharing some of my animated films with a diverse and appreciative audience.

Thank you for taking the time to consider this comment in your policy deliberations
